

TEQUILA

NOT ALL TEQUILAS NEED TO BE RUSHED, WE RECOMMEND TRYING ONE OF THESE ON ICE WITH A SPICY MEAL OR SAVOURED ON ITS OWN TO GET THE FULL FLAVOUR OF THIS INFAMOUS PARTY DRINK.

El Jimador Gold or Silver 32
Served with a pineapple wedge and tobasco.

Jose Cuervo traditional 35
A 100% blue agave tequila aged in oak barrels for a minimum of 2 months.

Cazadores reposado 43
With a year in American oak barrel, perfectly balanced agave and woody flavours.

El Espolon reposado 45
Carefully selected white oak barrels are used to age this 100% agave tequila for six months to give it a subtle wooded flavour.

Volcan reposado 69
Combining fruity notes such as black current, pineapple and well ripened peaches with nuts and dried fruits, result in a smooth finish to this aged tequila.

FOR THE SOPHISTICATED TEQUILA PALATE

Volcan XA 199
Designed to be sipped and savoured, this extra-aged tequila is complex, warm and smooth with an intense flavour and sweetness due to its aging in American Oak barrels. Suggested serve with a block or two of ice or just chilled for a fuller flavour.
